Community Screenings/Events

Let's Move Our Numbers—Could you have a cluster of risk factors that greatly increase the possibility that you will develop heart disease, diabetes or stroke? These risk factors are called Metabolic Syndrome, and you can determine if you have them by scheduling your screening and a personal 30-minute session with an RN. Appointment includes: screenings (finger-stick blood glucose & cholesterol, blood pressure, waist circumference, and BMI/Fat analysis), education, hand-outs and a discussion on next steps. Fasting is required for 12 hours prior to your appointment. **Screenings are held the first and third Wednesday of each month.**

Dates & Time: May 2 & 16, 8-10 am

Registration with appointment required: Call 1-877-737-4636

Location: PMMC Health Institute, 1975 Melissa Lane, Aurora

Cost: FREE!

Location: Presence Mercy Medical Center Health Institute—1975 Melissa Lane, Aurora, Center for Diabetic Wellness

Behavioral Health

Mental Health First Aid -On Site Trainings

Presence Health offers Mental Health First Aid (MHFA) trainings to organizations in the community. Groups may choose the Adult MHFA version or the Youth MHFA version for those working with adolescents age 12-18. Both versions include Power Point presentations, films, group discussions and interactive activities which can be taught in an 8-hour day. We require a minimum of 20 participants to host a workshop. All materials are provided for all participants. Workshops are available in English or Spanish.

Mental Health First Aid is an 8-hour course that was developed to help members of the general public support adults and adolescents who are developing mental health problems or experiencing a mental health crisis. The training is especially beneficial to professionals and people working with the public so as to feel more confident assisting individuals with mental health-related problems.

Space is limited.

Registration required.

Training is free. All materials provided.

Complimentary Breakfast and Lunch.

8.0 CEUs available.

Cardiac Education & Support Groups

Cardiac Wellness— Cardiac nurses discuss the heart and vessel system and things that can affect it negatively, such as blood pressure, cholesterol and stress. **Wednesday, May 2, 10:00—11:30 am**

Presence Mercy Medical Center—Moore Conference Room.

Register at 630-801-2798

Heart Failure— Discuss early symptom recognition and learn ways to manage this disease through lifestyle modifications.

Wednesday, May 30, 10-11 a.m., Presence Mercy Medical Center—Moore Conference Room. Register at 877-737-4636.

Stroke Survivors Support Group

Join a friendly, supportive environment where stroke survivors and their families can share their experiences of coping with a stroke. Regular meetings have featured speakers, educational material, outings & social activities.

Meetings are the 1st Wednesday of each month, 11:30 am to 1:30 pm

Presence Mercy Medical Center Moore Conference Room

(Bring a sack lunch!)

For more information call Lorry at 630-801-2686

Smoking Cessation

Fresh Start— This **4-week program** is sponsored by the American Cancer Society.

+ Are you a tobacco user?

+ Are you ready to quit?

If you replied YES to both questions, please join this group based cessation program, facilitated by Teresa Bolek, RN. Learn different tobacco cessation plans, set up your personal plan/date and find ways to reduce stress and fight the urge to ever pick up a tobacco product again!

Ask us about Nicotine Replacement Therapy!

Tuesdays: May 1, 8, 15 & 22, 3-4pm

Bereavement (Fox Valley Hands of Hope)**M.A.L.E.S. (Men After a Loss Expressing themselves Safely)**

This drop-in group, for men who are grieving the death of a loved one, meets once a month at FVHH. Grieving can be particularly difficult for men, because they are expected to be strong — a pillar for everyone close to them. M.A.L.E.S. provides a forum where they can “let go” and freely express their thoughts and feelings with other men who are experiencing the same challenges. Coffee and donuts provided. For more information call (630) 232-2233

Meets the second Saturday of each month

Herbie's Friends

A program to help grieving families cope with loss, grief and death. Herbie's Friends, for families with children ages 5 to 18, creates a safe environment where participants who have experienced a loss can share their thoughts, feelings and stories with others who have had similar experiences. They will enjoy a meal together followed by a variety of children's activities including games, art, drama and puppetry, which are used to encourage expression of feelings. For more information and to register call Jill Thorson at (630) 232-2233. **TBD**

Pathways

This seven-week group addresses issues faced by those who are grieving the death of a spouse or life partner. Emotional support is offered as well as assistance with accepting the death and coping with grief. Registration with a refundable deposit is required. **Tuesday, March 12 - April 24, 2018 6:30 to 8:00 pm**
